Dear Mr. O'Hara and Friends:

Thank you for your gift of \$61.90 to The V Foundation received 5/20/2009. We are extremely grateful for your generosity toward the Foundation and our goal—to find a cure for cancer.

Because no goods or services were provided in exchange for your contribution, this gift is 100% tax-deductible.

Fiscal responsibility to our important mission and to our donors is something The V Foundation Board of Directors and staff are very passionate about. This fact has not gone unnoticed by Charity Navigator, a watchdog agency that recently awarded the Foundation a coveted sixth consecutive 4-star rating. Additionally, we are proud to inform you that The V Foundation awards 100 percent of all new direct donations and net proceeds of events directly to cancer research and related programs.

Since our formation by ESPN and Jim Valvano in 1993, The V Foundation has raised more than \$80 million to fight cancer nationwide. However, there is still much more to be done. With your support, we will continue to raise much-needed funds for cancer research until we have beaten this deadly disease.

For more information on how you can help in the fight against cancer, please call us toll-free at 1-800-4-JimmyV, or visit our website at [www.jimmyv.org](http://www.jimmyv.org).

Again, thank you for your support, and remember:

"DON'T GIVE UP. . .DON'T EVER GIVE UP!"®

Sincerely,

Nick Valvano  
Chief Executive Officer

Dear Friends:

Thank you for your gift to The V Foundation for Cancer Research. We truly appreciate your support of the Foundation and of our goal—to find a cure for cancer.

Because no goods or services were provided in exchange for your \$87.70 contribution received on 9/9/2008, your donation is 100% tax-deductible.

The V Foundation awards 100% of all new donations and net event proceeds directly to cancer research and related programs. In addition, we received a fifth consecutive 4-star rating from Charity Navigator, America's premier charity evaluator. Charity Navigator provides critical information to donors so they have confidence in the charitable choices they make. As only three percent of all charities reviewed by Charity Navigator have received the prestigious 4-star rating, The V Foundation is part of an elite group. We are proud to be responsible stewards of your funds.

Since our formation by ESPN and Jim Valvano in 1993, The V Foundation has raised more than \$70 million to fight cancer nationwide. However, there is still much more to be done. With your support, we will continue to raise much-needed funds for cancer research until we have beaten this deadly disease.

For more information about The V Foundation, or to find out more about how you can help in the fight against cancer, please visit our website at [www.jimmyv.org](http://www.jimmyv.org), or call toll free, 1-800-4-JimmyV.

Again, thank you for your support, and remember:

"DON'T GIVE UP. . .DON'T EVER GIVE UP!"®

Sincerely,

Nick Valvano  
Chief Executive Officer
